

Mrs Bailey-Mawson
Mrs Marshall
Mr Kammer
Miss Wilson

Welcome Back
Hope you've had a lovely summer break!
Have a look at what we have planned for the Autumn 1 Term

English

This half term, will be using the story 'Hansel and Gretel'

Children will focus on developing their reading, writing, vocabulary and communication skills.

Children will explore different types of writing, practise using ambitious language and accurate punctuation, and build their confidence in discussing and responding to what they read.

We will continue to encourage a love of reading while helping pupils become thoughtful, creative and successful writers

Maths

We use White Rose for the teaching of Maths:

We will focus on developing secure number knowledge and calculation skills. Children will build confidence through practical activities, reasoning challenges and problem-solving tasks.

Key learning objectives:

- Develop understanding of place value and the value of digits within numbers.
- Read, order, compare and round numbers with increasing confidence.
- Use efficient addition and subtraction strategies, including written methods.
- Solve mathematical problems and explain their reasoning.
- Apply maths skills to a range of real-life contexts.

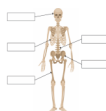

Science

We use White Rose for the teaching of Science:

We will be learning about the human body, focusing on:

Key learning objectives:

- Identify the main bones in the skeleton.
- Understand how muscles and bones help us move.
- Learn about healthy eating and nutrition.
- Explore how food gives our bodies energy and helps us grow.
- Develop scientific enquiry skills through practical investigations.

Physical Education

Mr Todd and Mr Toulmin will lead PE Lessons:

They will be learning the basics rules and skills of

Invasion Games:

Football, rugby and basketball

We will have weekly swimming lesson on **Mondays**

Aspire Character Curriculum and Enrichment

Our **A.C.C.E** programme is a progressive learning journey designed specifically for the children of

Park Aspire AP Academy.

It helps children build on existing strengths and develop new skills that will support them both now and in the future.

The programme is rooted in our school values of

Respect, Resilience and Ready,

encouraging pupils to grow in confidence, independence and character as they prepare for life beyond the classroom.

Personal Development/POL-Ed

PSHE and Citizenship topic is: Aiming High.

Children will explore goals and aspirations, celebrate their achievements, and learn how a positive attitude, growth mindset, and resilience can help them succeed. They will discuss future ambitions, different careers, and the impact of stereotypes, while also identifying skills they can develop to achieve their short, medium, and long-term goals.

POL-Ed - Relationships Unit

Pupils will learn about healthy friendships, being positive role models, and understanding peer influence. We'll explore our diverse communities and discuss how we can contribute positively to them. Children will also learn about diversity, identity, and discrimination, developing important values of self-worth, respect, and empathy that support their social and emotional development.

Extra-Curricular

There will be lots of opportunities for your child to take part in different extra-curricular activities this term.
Sports and Games club at break and lunch times
Visits from outside agencies.

How you could support your child:

Encourage your child to read at home, then ask questions about what they have read in order to show an understanding of the text.

Encourage your child to practice times table multiplication and division facts

Talk to your child about what they did at school today.
